1.1 Approval of Titles with ethics numbers:

- 49 Title were approved
- 27 Titles were amended and approved by respective supervisors/ promoters
- It was advised that supervisors who were not part of the meeting were sent amended titles of their students for inputs and comments

1.2 Titles without ethics numbers

- 48 titles were not approved as they do not have ethics numbers as yet.
- It was noted that these titles still have to go through the process of scientific committees and most of them will be amended during that process.

1.2.1 All titles were sent to academic members both internal and external for their inputs and comments.

1.3 Approval of examiners

- It was agreed that for MBA Three (3) examiners should be appointed, one (1) internal and two (2) examiners or they can all be externals.
- For MBA it was advised that an internal examiner should be from the school (optional).
- It was agreed that for PhD Four (4) examiners should be appointed all of them being externals and from the four one should be international.
- All appointed examiners were approved (they all submitted their Cv's).
- It was advised that one (1) examiner should not be given more than three (3) documents to examine.
-
