Any additional comments?

1. I am struggling for a week and a half to be registered for MBA816, no access to efundi yet.
2. Negative comment: Program sent out very late.
3. Communication of the dates was done two weeks before the session which caused lot of inconvenience. Can i suggest that this dates be communicated months in advance.
4. perfect.

Average rating: 3.31

Any additional comments?

1. Apart from the video that gave presenters challenges, all went well.
 2. Some of the speakers' pronunciation is poor and it is difficult to hear what they say. I know it is not politically correct and diverse but speakers from renowned international business schools such as Havard, Oxford would be highly appreciated.
 3. the standard was good

Q5

5. Please describe the Zoom experience.

Answered: 7 Skipped: 6

1. Prefer face-to-face.
 2. The advantage of inviting guest lecture who don't have to come to SA to do the presentation. Well executed.
 3. The Sessions were good, audible, and the lecturers were very engaging, asking questions and allowing delegates to be participative.
 4. In general I experience connectivity interruptions, depending on the connection quality in my region at time. Otherwise no complains for the Zoom app.
 5. network issues sometimes its the problem and also sound
 6. It is a worthy substitute, but would nether compete with face-to-face sessions and the networking that normally takes place at the study school.
 7. Zoom works well so far.
