Marking Guide (Strategy assignments)

Your work could be assessed according to the usual percentages (%) or within a certain percentage range. We shall be looking to see how effectively you are able to relate to what you have learned integrated with your own working environment. The following marking grid shows the appropriate percentage range and Grade equivalents adhered to the marking of your work.

Percentage Range	Grade Band	Description
75% and 75%+	A+	Distinction: Demonstrates original thought and analysis, the capacity for critical judgement and wide range for reading
70-74% (1,1) + (1,2) = 72% (1,3) = 21,30 (A)	A	Demonstrates the capacity for critical judgement and wide range for reading. Not yet distinction
65-69% 46,90	B+	Demonstrates sound structure and understanding in discussion and draws on some appropriate tools and techniques
60-64%	B-	
55-59%	C	Demonstrates understanding in discussion
50-54%	D	Admission to the final paper
Less than 50%	E →	Fail

69%

69%

x small technical/editing errors - see p2, for example = proof read
 ✓ Volume.
 x p3. Not qualitative!
 ✓ nice graphics
 ✓ good attempt at data mining
 x most of your illustrations have technical errors
 x Your critical reflection on identified gaps are missing.
 = NOT just a verification feedback report
